2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Somis Union School District was established in 1895 and moved to its present location in 1924. It is situated on over eight acres in the heart of the beautiful community of Somis, located in Ventura County. It is a small, one-school district and serves students in grade TK-8. Somis School has been serving the educational needs of the community for over one hundred and twenty-eight years and believes that the combination of a small school environment, personalized instruction, skilled and dedicated staff provides a unique place for children to thrive. Indeed, our mission at Somis School is to provide a world class education that challenges our students to use their minds to the fullest potential, and to be responsible stewards of the 21st century. Opportunities for family participation in the school and district are continuous and announced throughout the year on our Somis School website, the marquee, classroom newsletter, the automated telephone system, Facebook, twitter, and communications from our Parent Faculty Organization. Students in transitional kindergarten through 8th grade are engaged in a rigorous curriculum with the support from teachers, instructional assistants, college tutors, high school helpers and university students. We have an active and energetic PFO that compliments student learning by funding student of the month rewards and relevant educational assemblies. Somis School provides; Transitional Kindergarten, full day Kindergarten, instrumental music, free breakfast and lunch for all students. Our extended day and ASES programs offer free after school support through art projects, physical education, online math/language arts support programs, gardening, robotics, club soccer instruction, e-sports lab and homework support. All classrooms offer wireless access, Newline Interactive Screens, 1 to 1 Chromebooks for all students, and much much more in a safe and supportive environment. From after-school athletics to community meetings, there are many groups that gather at our school to host their meetings and events.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

The historical architecture of Somis School is reminiscent of the old California missions. Established in 1895 and moved to its present location in 1924 the school and buildings have seen many changes. Alumni often visit to marvel at the school plant and reminisce. In keeping with the needs of our 21st century learners, our campus is now wireless and each classroom is equipped with updated technology. The school library and STEAM lab can accommodate entire classes and are used by students throughout the school day and integrated into the after school program. Technology improvements include Newline TruTouch Interactive Display Screens, Laptop Computers and individual chromebooks for every student. Nutritious hot lunches are served daily. All facilities are kept, clean, safe and accessible to users. New A/C and heaters were installed in 11 rooms. All classrooms that house students have A/C's and Energy efficient lighting. All student restrooms have hands free facilities.

Somis Elementary School is a closed campus. Students are supervised on the school grounds one half hour prior to the beginning of the school day. During the day the school staff patrol the campus and maintain the grounds in a safe condition. Unsafe conditions are immediately reported to the maintenance staff who follow up with the report. All visitors must sign in and obtain and wear a visitor's badge while on campus. After school students are supervised by a campus supervisor until the bus leaves. Students also attend the on-site ASES program which runs until 6:00pm every school day, and the Extended Day Program which runs until 6:00pm.

The school is cleaned and disinfected on a daily basis by the maintenance staff. This staff also maintains the well manicured grounds.

During the winter, spring and summer breaks the maintenance staff undertakes the periodic cleaning of carpets, windows, walls and large landscaping projects. They are also responsible for the day-to-day repairs to ensure the safety of our school community.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Somis School encourages parents to be active in their child's education. There are many ways for parents to become involved as active partners at Somis School. Some opportunities to participate include:

- a. Parent Faculty Organization (PFO)
- b. School Site Council (SSC)
- c. Somis Education Foundation (SEF)
- d. District English Learners Advisory Committee (DELAC)
- e. Bond Oversight Committee
- f. Student Wellness Committee
- g. Classroom volunteer
- h. Field trip chaperones
- i. Room Mothers/Fathers
- j. Fundraising events
- k. University Partnerships

For information on how to become involved, contact Jesus Vaca, Ed.D, Principal/Superintendent, at (805) 386-8258.

2023-24 School Safety Plan

The School Safety Plan was last revised and updated in the 2023-24 school year. Each year the site principal reviews it. Any new guidelines or mandates are incorporated and staffing changes corrected. Emergency evacuation drills are carried out monthly. The School Safety Plan is reviewed with staff at the beginning of each year.

The School Safety Plan was last reviewed and discussed with the school faculty in August 2023.

Professional Development

Staff Development is focused on providing our students with full and meaningful access to a rigorous curriculum. The end goal is for our students to attain high levels of literacy while mastering grade level standards. Staff development will be facilitated through a Professional Learning Community with an emphasis on building a collaborative community of learners. Staff meetings provide staff members with an opportunity to share best practices two times per month. In addition, a student study team meeting occurs once a month to review the cases of students facing academic challenges. To complement the monthly staff meetings, teachers attend two full days of professional development a year.

This table displays the number of school days dedicated to staff development and continuous improvement.
